CEFTF Policy Review Subcommittee Meeting:

Please read policies:

I. Call to Order

II. Reminder of focused goals—where do students have a right to go to school and what level of equity should students expect in terms of availability of resources and access to schools in their own neighborhood (Austin and Englewood as examples)
   a. Discussion of Seattle, WA and Lexington, KY student assignment cases (Dr. Berry will provide copies and/or links to materials)

III. Review of Existing Policies: Examine policies on the basis of whether they address students’ rights to assignment and equity: Are the students’ needs protected?
   a. Closings
   b. Consolidations
   c. Shared Facilities
   d. Homeless Education
   e. Attendance boundaries

IV. Discussion of process for exploring best practices in district policy nationally that meet our goals (Homework)
