Thinks:
The strong should take care of the weak. The students of today are the leaders of tomorrow. We are a family-oriented school. Anything worth doing is worth doing right. Our responsibilities never end. Our education does not end in the classroom. The only way to lose is to quit trying. Learning is the key to ultimate success. We are all here to make a difference. The journey, not the arrival, is what matters most. Success is not measured by wealth, but by happiness.

Acts:
We give one hundred percent every day. We act in a way that leaves a lasting impression. We act in a way that earns the trust of others. We are ready and willing to work hard. We each need to perform to the best of our abilities. We always leave a place better than we found it. We are role models for other students. When we all pull together we can move mountains. We give back to our community. We are Southland College Prep.
