Workshop Opportunity

Collaboration in the Classroom:
Increasing Student Engagement

Two Locations:
Belleville or Naperville

This hands-on workshop will provide teachers the opportunity to explore the use of collaborative techniques in all grade levels incorporating the learning standards. Every participant will receive a kit with resources (techniques, randomizing, structure, and examples) to use in their districts.

Targeted Audience: Classroom teachers representing each school and/or grade level band (k-5, 6-8, 9-12) in the district

Outcomes: Teachers will be knowledgeable of collaboration techniques and strategies to enhance student engagement in the classroom.

Teachers will have immediate information and resources to share with their colleagues upon return to school.

Seating is Limited: Workshop attendance is limited to 60 participants.
