

**NAME AND LIKENESS RELEASE FORM**

My child wishes to appear in an entry for the “Illinois Youth Internet Safety Contest” sponsored by The Illinois State Board of Education (ISBE), The Attorney General’s Office, and The Governor’s Office. Because my child is under eighteen years of age, my permission is required in order for him or her to participate.

I understand that the primary purpose of this contest is to create public service announcements promoting safe use of the Internet. The public service announcements may be broadcast on network or cable television or distributed via the Internet. The public service announcements may also be used in print advertisements and circulars, in press releases, and in other forms of mass media promotional or advertising materials. The public service announcements may be distributed throughout the Commonwealth of Illinois and in other states. I understand that ISBE, The Attorney General’s Office, and The Governor’s Office may develop similar educational and promotional uses for these announcements in addition to the examples specified above.

I hereby grant \_\_\_\_\_ (Person(s) conducting the recording of the public service announcement) and those acting pursuant to his/her/its authority permission to record the likeness of my child on video tape, film, photograph or any other medium and to use his/her name, likeness, and biographical material in connection with these recordings. I grant ISBE, The Attorney General’s Office, and The Governor’s Office permission to exhibit or distribute such recordings and biographical material in whole or in part without restrictions or limitation and in perpetuity for any educational or advertising purpose related to its Illinois Youth Internet Safety initiative. I will make no monetary or other claim against ISBE, The Attorney General’s Office, and The Governor’s Office for the use of the recordings.
