

## FY 09 Prevention Initiative Birth to Age 3 Years Review Rubric Population to be Served

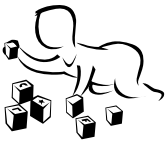

Criteria	Does Not Meet Standard	Meets Standard	Exemplary
<p>Clearly indicates that the area to be served has a high number of children and families determined to be the most in need of the services as indicated by high levels of poverty, illiteracy, unemployment, limited-English proficiency, or other need-related indicators, such as the school district's rate of dropouts, retention, truancy, teenage pregnancies and homeless students, high rates of infant mortality, birth trauma, low birth weight or prematurity, and high rates of child abuse and neglect.</p> <p><b>Statement of need</b> Proposal Narrative page 12 Attachment 3a</p> <p>(See next page for statewide statistics)</p> <p>Criteria and indicators for identifying children and families who are eligible for the program are clearly established and likely to target those children and families most in need of services.</p> <p><b>Statement of need</b> Proposal Narrative page 10 Attachment 3a</p>	<p><b>Statement of need</b> Proposal provides little, if any, data analysis to show need for prevention initiative in the area.</p> <ol style="list-style-type: none"> <li>a. Children and families do not appear at-risk or there are low numbers of previously unserved at-risk children and families;</li> <li>b. Community demographics do not indicate significant at-risk characteristics.</li> </ol> <p>Proposal does not describe how these services will not duplicate services being provided by other programs.</p> <p>Proposal does not describe criteria and indicators or the description does not seem likely to ensure that it will:</p> <ol style="list-style-type: none"> <li>a. Identify children and families who are eligible for the program, and</li> <li>b. Target those children and families most in need of services.</li> </ol>	<p><b>Statement of need</b> Proposal describes adequate evidence of need for the prevention initiative program with some data analysis of:</p> <ol style="list-style-type: none"> <li>a. Characteristics of families and children related to educational level of parents; employment conditions; rates of infant mortality, birth trauma, low birth weight or prematurity; district rates of dropouts, retention, truancy, teenage pregnancies, and homeless students; numbers of non-English speaking families; rates of poverty, child abuse and neglect;</li> <li>b. Previously unserved highly at-risk children and families in need of services, as documented by community demographics (e.g., district low income %, rates of teen births, high % truancy, mobility, child abuse, substance abuse).</li> </ol> <p>Proposal adequately describes how these services will meet needs not currently being met by other programs.</p> <p>Proposal adequately describes criteria and indicators that will:</p> <ol style="list-style-type: none"> <li>a. Identify children and families who are eligible for the program, and</li> <li>b. Target those children and families most in need of services.</li> </ol>	<p><b>Statement of need</b> Proposal provides strong evidence of need for the prevention Initiative program with detailed analysis of:</p> <ol style="list-style-type: none"> <li>a. Characteristics of families and children related to levels of poverty, illiteracy, unemployment, limited English proficiency (e.g., high % of parent victims of domestic abuse, TANF eligibility; rates of infant mortality, birth trauma, low birth weight or prematurity, high % special needs-eligible siblings/primary caregivers, foster families, homelessness.);</li> <li>b. Large numbers of previously unserved at-risk children and families in need of services, as documented by community demographics (e.g., district low income %, rates of teen births, high % truancy, mobility, child abuse, substance abuse).</li> </ol> <p>Proposal provides a detailed description of other programs in the community and how these services will meet needs not currently met by those programs.</p> <p>Proposal describes criteria and indicators that have a strong likelihood of ensuring the program will:</p> <ol style="list-style-type: none"> <li>a. Identify children and families who are eligible for the program, and</li> <li>b. Target those children and families most in need of services.</li> </ol>

## FY 09 Prevention Initiative Birth to Age 3 Years Review Rubric Population to be Served

<b>Criteria</b>	<b>Does Not Meet Standard</b>	<b>Meets Standard</b>	<b>Exemplary</b>
<p>Effective recruitment strategies are proposed that are likely to ensure that the maximum number of eligible children and families are enrolled in the program.</p> <p><b><u>Population to be Served</u></b> Proposal Narrative pages 12 &amp; 13 Attachment 3b</p> <p><b><u>Statewide Statistics</u></b> <u>2004</u> Low Birth Weight Babies – 8.4% <u>2005</u> Infant Mortality Rate – 7.2 per 1000 Teen Birth Rate – 9.7% Free and reduced lunch – 39.52% <u>2006</u> Children in Poverty – 16% Young Children in Poverty – 18% Child Abuse Rate – 7.6 per 1,000 <u>2007 IL State Report Card</u> Low-income rate – 40.9% High School Dropout Rate – 3.5% Chronic Truancy Rate – 2.5% Mobility rate – 15.2% Limited English Proficient Rate – 7.2% <u>2008</u> Unemployment rate – 4.9%</p> <p style="text-align: center;"><b>Total of 30 points possible</b></p>	<p><b><u>Population to be Served</u></b> Proposal does not describe a plan to enroll eligible population to be served by the early childhood initiatives or plan is inadequate:</p> <p style="padding-left: 20px;">a. Few families with children from birth to 3;</p> <p style="padding-left: 20px;">b. No procedure for outreach, identification and recruitment of families most at-risk.</p> <p>Proposal does not indicate geographic area to be served.</p> <p style="text-align: center;"><b><u>COMMENTS</u></b></p> <p style="text-align: center;"><b>Possible score: 0-15</b></p>	<p><b><u>Population to be Served</u></b> Proposal describes an adequate plan to enroll the eligible population to be served by the early childhood initiative(s):</p> <p style="padding-left: 20px;">a. Adequate number of families with children from birth to 3;</p> <p style="padding-left: 20px;">b. Adequate procedures for outreach, identification and recruitment of families most at-risk.</p> <p>Proposal adequately describes geographic area to be served.</p> <p style="text-align: center;"><b><u>COMMENTS</u></b></p> <p style="text-align: center;"><b>Possible score: 16-25</b></p>	<p><b><u>Population to be Served</u></b> Proposal describes multiple strategies to enroll the eligible population to be served by the early childhood initiative(s):</p> <p style="padding-left: 20px;">a. Maximum number of families with children from birth to 3 including single or married parent(s) who are expecting their first child within three months or have no children other than a child less than 3 years of age;</p> <p style="padding-left: 20px;">b. Outreach and identification of families most at-risk, and recruitment that is proactive, reflects the cultural diversity of the community and uses multiple methods and strategies.</p> <p>Proposal provides a detailed description of the geographic area to be served.</p> <p style="text-align: center;"><b><u>COMMENTS</u></b></p> <p style="text-align: center;"><b>Possible score: 26-30</b></p>
