a) This Subpart A establishes the procedures and criteria for the approval of proposals submitted to the State Board of Education by eligible applicants for grants to assist in establishing early childhood education programs funded through the Early Childhood Block Grant authorized by Section 1C-2 of the School Code [105 ILCS 5/1C-2]. The Early Childhood Block Grant program shall include:

1) preschool education primarily for at-risk and low-income children ages 3 years old to kindergarten enrollment age as defined in Section 10-20.12 of the School Code [105 ILCS 5/10-20.12], to include those programs and activities that meet the requirements of Section 2-3.71 of the School Code [105 ILCS 5/2-3.71]; and

2) prevention initiative for at-risk children from birth to age 3 and their families, to include those programs and activities that meet the requirements of Section 2-3.89 of the School Code [105 ILCS 5/2-3.89].

3) For the purposes of this Part, "at risk" is defined as those children who because of their home and community environment are subject to such language, cultural, economic and like disadvantages to cause them to have been determined as a result of screening procedures (to be carried out in conformance with Section 235.20(c)(5) of this Part) to be at risk of academic failure. (Section 2-3.71(a)(4.5) of the School Code)

b) Eligible applicants for Early Childhood Block Grant programs include any public or private not-for-profit or for-profit entity with experience in providing educational, health, social and/or child development services to young children and their families. If the Early Childhood Block Grant program is operated in or by a child care center subject to the licensure requirements of the Illinois Department of Children and Family Services (DCFS), then that child care center must hold the appropriate licensure in accordance with rules promulgated by DCFS (see 89 Ill. Adm. Code 403 (Licensing Standards for Group Homes), 405 (Licensing Standards for Day Care Agencies), 406 (Licensing Standards for Day Care Homes), 407 (Licensing Standards for Day Care Centers) and 408 (Licensing Standards for Group Day Care Homes)).

c) Joint applications for funds may be submitted by any combination of eligible applicants, as described in subsection (b) of this Section.
1) If a joint application is submitted, then an administrative agent shall be designated.

2) A school district or other eligible applicant shall only participate in one proposal for a specific program.

d) Eligible applicants may subcontract with a private school, not-for-profit or for-profit corporation, or other governmental agency that would otherwise be eligible under subsection (b) of this Section to conduct an Early Childhood Block Grant program.

For purposes of this Section, an “expanded” program includes one in which the applicant is proposing to serve additional children and their families or to offer initiatives not provided under its currently funded program.

a) Grants for new or expanded programs shall be offered in years in which the level of available funding is such that one or more new or expanded programs can be supported, along with those currently funded programs that seek continuation funding in accordance with Section 235.60 of this Part.

b) When sufficient funding is available, the State Superintendent of Education shall issue one or more Requests for Proposals (RFP) specifying the information that applicants shall include in their proposals, informing applicants of any bidders’ conferences, and requiring that proposals be submitted no later than the date specified in the RFP. The RFP shall provide at least 45 calendar days in which to submit proposals.

c) All proposals submitted in response to an RFP shall include the following components:

1) A cover page completed on a form supplied by the State Board of Education and signed by the school district superintendent or official authorized to submit the proposal or, in the case of a joint application, by the superintendent from each of the school districts and each authorized official of other eligible entities participating in the joint proposal.

   A) the applicable Illinois Early Learning and Development Standards, as set forth in Appendix A of this Part,

   B) the Illinois Birth to Five Program Standards as set forth in Appendix B of this Part, and

   B) gives priority for enrollment to academically at-risk students over those students who have not been identified as academically at risk; and

   C) has taken specific proactive measures to ensure that parents of children who may be at risk of academic failure are aware of the opportunity to enroll in the preschool education program.

2) A program serving “primarily children whose families meet income guidelines” is one that has 80 percent or more of the enrolled children from families meeting the income guidelines and does not qualify under subsection (b)(1) of this Section as serving primarily academically at-risk children.

3) Each applicant shall estimate the percentage of children to be enrolled who are considered to be at risk of academic failure or whose families meet income guidelines, as applicable.

c) Programs serving primarily at-risk children shall describe:

1) the process to ensure that, if the program has a waiting list of children to be enrolled, all children identified as being at risk of academic failure are enrolled before other children not identified as being at risk; and

d) a description of how services will be targeted to family needs, to include how a family needs assessment will be conducted and used to implement an individual family service plan for each family served in the program;

e) a description of the intensity of services that will be offered (e.g., the number of hours that are available for families to participate in activities and services);

f) the steps to be taken to encourage families to attend regularly and remain in the program a sufficient time to make sustainable changes; and

Section 235.50 Proposal Review and Approval for New or Expanding Programs

a) Proposals submitted for funding to establish a new program or expand an existing program shall be evaluated in accordance with the following criteria.

1) Population to be Served (30 points)

   A) The proposal clearly indicates that the area to be served has a high number of children and families determined to be the most in need of the services provided by the Early Childhood Block Grant program, as indicated by high levels of poverty, illiteracy, unemployment, limited-English proficiency, or other need-related indicators, such as the school district’s rate of dropouts, retention, truancy, teenage pregnancies and homeless students, high rates of infant mortality, birth trauma, low birth weight or prematurity, and high rates of child abuse and neglect, and that there exists in the area to be served an insufficient number of other programs and services to fully serve all children and families who potentially could be at risk.

   B) Criteria and indicators for identifying children and families who are eligible for the program are clearly established and likely to target those children and families most in need of services.

   C) Effective recruitment strategies are proposed that are likely to ensure that the maximum number of eligible children and families are enrolled in the program.

2) Quality of Proposed Program (40 points)

   A) The proposed program and activities will sufficiently meet the identified needs of the population to be served and include child and parent activities designed to enhance child development and parent effectiveness and, ultimately, school readiness.

   B) The program proposal provides for effective linkages among parents, education, health and social service agencies, and child care providers and includes a plan for coordination of services with other educational programs serving young children and their families.
C) The proposed program is built upon effective research about early childhood education and aligned to the applicable Illinois early learning standards (see Appendices A and B of this Part).

D) The evaluation strategies include measurable outcomes for children and families that are designed to effectively gauge the success of the program and yield sufficient data that can be used to improve the program.

3) Experience and Qualifications (20 points)

A) Proposed staff hold the appropriate certifications and/or licenses for their positions and have the qualifications and experience necessary to successfully implement a high-quality early childhood program.

B) The staff development plan adequately addresses the needs of the project staff, offers a varied and full range of staff development experiences and provides sufficient opportunities for learning so as to allow staff to incorporate the training into program delivery activities.

C) In addition, an eligible applicant other than a school district has presented evidence that it:

i) holds the appropriate licensure to operate as a day care facility;

ii) holds early childhood accreditations or has other relevant experience that demonstrates success in implementing and administering programs similar to the ones funded under the Early Childhood Block Grant Program; and

iii) has a successful track record with similar grants or contracts.

4) The program is cost-effective as evidenced by the cost of proposed services in relation to the numbers to be served and the services to be provided. (10 points)
b) The selection of proposals for funding may be based in part on geographic distribution and/or the need to provide resources to school districts and communities with varying demographic characteristics.

c) Priority consideration may be given to proposals with specific areas of emphasis, as identified by the State Superintendent of Education in a particular RFP.

d) The State Superintendent of Education shall determine the amount of individual grant awards. The final award amounts shall be based upon:

1) the total amount of funds available for the Early Childhood Block Grant; and

2) the resources requested in the top-ranked proposals, as identified pursuant to subsections (a), (b) and (c) of this Section.

(Source: Amended at 36 Ill. Reg. 6827, effective April 18, 2012)
Section 235.55 Proposal Review Process and Additional Funding Priorities for Preschool Education Programs

In order to meet the funding priorities set forth in Section 2-3.71(a)(4.5) of the School Code, each proposal for a preschool education program shall be reviewed using both quantitative and qualitative criteria.

a) Proposals shall first be screened to identify those proposals that meet the criteria for each funding priority (see Section 235.30(b) of this Part). Proposals shall be separated into the following three categories:
   1) proposals serving primarily at-risk children;
   2) proposals serving primarily children whose families meet income guidelines; and
   3) all other proposals.

b) Within each of the three categories set forth in subsection (a) of this Section, the proposals shall be reviewed and scored using the qualitative criteria set forth in Section 235.50(a) of this Part to determine which proposals provide evidence of a “qualified program”. “Qualified programs” shall be those scoring at least 60 out of 100 total points.
   1) All qualified programs within the category set forth in subsection (a)(1) of this Section shall be funded before funding any qualified programs in the categories set forth in subsection (a)(2) or (a)(3) of this Section.
   2) All qualified programs within the category set forth in subsection (a)(2) of this Section shall be funded before funding any qualified programs in the category set forth in subsection (a)(3) of this Section.
   3) Within each category, priority for funding will be given to substantially similar proposals that either:
      A) serve children from a community with limited preschool education programs or an insufficient number of programs to meet the community’s need; or
      B) have few resources promoting preschool education.

(Source: Added at 35 Ill. Reg. 3742, effective February 17, 2011)
Section 235.60  Application Content and Approval for Continuation Programs

a) In order to continue to operate an Early Childhood Block Grant Program, a grantee each year shall electronically submit an application for continuation. The application shall include at least the following:

1) an overview of the program, addressing the program components outlined in Section 235.20 of this Part and either Section 235.30 or Section 235.40 of this Part, as applicable for preschool education or prevention initiative programs;

2) budget summary and payment schedule as well as a budget breakdown, i.e., a detailed explanation of each line item of expenditure; and

3) the certifications and assurances referred to in Section 235.20(c)(17) of this Part applicable to the renewal period.

b) An Early Childhood Education Block Grant Program shall be approved for continuation provided that:

1) a need continues to exist for the program, as evidenced by the number or proportion of children and families to be served;

2) the program components proposed will be effective in assisting at-risk children and families;

3) the proposed budget is cost-effective, as evidenced by the cost of proposed services in relation to the numbers to be served and the services to be provided; and

4) in the year previous to the continuation application, the applicant complied with the terms and conditions of any grant it received pursuant to this Subpart A.

(Source: Amended at 36 Ill. Reg. 6827, effective April 18, 2012)
Section 235.70 Terms of the Grant

b) Each grantee shall submit evaluation information and other reports containing program-related data in a format specified by the State Board of Education, providing:

1) descriptive statistics on the population served, eligibility, screening procedures and staff qualifications and training, including any social and emotional consultation services provided pursuant to Subpart C of this Part;

2) descriptive information, including type and quality of the educational program, amount and extent of interagency collaboration, and parent education and involvement;

3) the extent to which program objectives have been accomplished; and

4) any similar program-related information that the State Superintendent of Education may request upon 30 days' written notice.

c) An annual program review shall be conducted for each new project to ensure program quality, to assist in program improvement and to provide technical assistance.

d) All equipment purchased by the grantee for the program with Early Childhood Block Grant funds must be documented on a form supplied by the State Board of Education and be maintained in the grantee’s files.

e) A time distribution worksheet shall be kept for any staff member in a part-time position.

f) Grantees shall use funds provided under the Early Childhood Block Grant to supplement, not supplant, funds received from any other source. (Sections 2-3.71 and 2-3.89 of the School Code)

g) Grant funds may not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

h) Prior to final funding approval, each grantee shall:
1) present evidence that staff meet the requirements of Section 235.20(c)(9) of this Part, as applicable, and

2) if subject to licensure requirements of the Illinois Department of Children and Family Services (DCFS), present evidence that it holds the appropriate licensure (also see Section 235.10(b) of this Part).

i) All preschool education program grantees must report the following to the Illinois State Board of Education no later than October 15 of each year.

1) The percentage of children enrolled in the program who have been identified as being at risk of academic failure.

2) The percentage of children enrolled in the program who are from families whose incomes are less than four times the federal poverty level (FPL), established by U.S. Department of Health and Human Services.

k) Failure of a grantee to enroll the required percentage of children (80 percent) in the particular prioritization category for which the proposal was funded (i.e., at-risk status or income levels) shall result in the amount of grant award being reduced proportionate to the decrease in percentage of children enrolled.

l) School district grantees with programs serving homeless children must comply with all applicable provisions of the federal McKinney-Vento Homeless Assistance Act (42 USC 11431 et seq.). Non-school district grantees should, to the extent possible, ensure that homeless children enrolled in their programs receive the support necessary for successful and continued participation, including, without limitation, arranging for appropriate transportation when necessary.

m) No funds may be used to help support or sustain any institution controlled by any church or sectarian denomination (see Article X, Section 3 of the Illinois Constitution).
n) Each grantee that operates a program in a facility licensed by DCFS shall require all employees and volunteers who are persons subject to background checks, as defined by 89 Ill. Adm. Code 385.20 (Definitions), to authorize DCFS to perform a Child Abuse and Neglect Tracking System (CANTS) background check. The grantee shall maintain evidence of completion of required CANTS checks for all persons subject to background checks and copies of the evidence of completion shall be provided to the administrator of the DCFS-licensed facility. The requirement applies to any paid or unpaid individual, including any certified teacher employed by a school district or other entity but working in the facility, who is used to perform essential staff duties as evidenced by being counted in the staff-child ratio or being allowed to be alone with children in a licensed child care facility outside the visual or auditory supervision of facility staff.
