TITLE V-A ASSURANCE
FOR PRIVATE, NONPROFIT SCHOOLS

The August 2002 Guidance for Title V, Part A states that "LEAs should obtain from the appropriate private school official a written assurance that any equipment and materials placed in the private school will be used only for secular, neutral and nonideological purposes; that private school personnel will be informed as to these limitations; and that the equipment and materials will supplement, and in no case supplant, the equipment and materials that, in the absence of the Title V-A program, would have been made available for the participating students." The form below is provided for your convenience. DO NOT RETURN this form to the Illinois State Board of Education. A signed assurance for each participating private, nonprofit school should be maintained in district files and should be available for review upon request.
