Illinois e-Plans
Title I District Plan Guide

Overview

Submission of a Title I District Plan is required by the No Child Left Behind Act (NCLB), Section 1101 et seq., (here referred to as “NCLB”). The specifics of the plan are defined in Section 1112.

All districts requesting Title I federal funding must have an approved Title I District Plan (Local Educational Agency Plan) on file in Illinois e-Plans (http://iirc.niu.edu/). The use of the online e-Plan is required so that ISBE and federal auditors may monitor these plans.

Title I District e-Plans must be developed in consultation with teachers, principals, administrators, parents of children in the schools served under Title I, and other appropriate school personnel, including those involved with other programs defined under the NCLB act. Coordination of services should take into account other Title programs, the Individuals with Disabilities Education Act (IDEA), Perkins Vocational and Technical Act, Homeless Assistance Act, and other Acts as appropriate. These plans will remain in effect for the duration of the district’s participation in Title I programs. The district must periodically review and, if necessary, revise its plan.

The Title I Plan Guide and other key resources are available on the following websites.

The Title I District Plan template includes:

- District Information
- Section I: Program Description (16 components)
- Section II: Board Approval and Certification and Assurances

The template, this guide, and the checklist are to be used together to ensure that users include all the requirements of state and federal law. Plan developers are also encouraged to use the “road map” page after accessing the e-Plan at http://iirc.niu.edu/ to travel between the sections of the template. The plan is listed under the “district” plans; therefore, be certain to select “district” on the home page of the IIRC.

Districts Required to Submit Title I Plans via IIRC Submission of e-Plans

All districts requesting Title I federal funding must have an approved Title I District Plan (Local Educational Agency Plan) on file in Illinois e-Plans at the Interactive Illinois Report Card (IIRC) website (http://iirc.niu.edu/). Title I District Plans submitted via Illinois e-Plans shall be deemed to be executed by the superintendent on behalf of the district. ISBE will review the Title I District Plans posted in Illinois e-Plans at IIRC and respond in the State’s monitoring section of the district’s Title I e-Plan.

Technical Assistance

For assistance in developing and submitting a Title I District Plan, please call the Innovation & Improvement Division, at 217/524-4832.

**Local Board Action**

The district must enter the date that the Title I plan was approved by the local school board before submitting the plan to ISBE via the IIRC.
ISBE Monitoring
This part of the template will be completed by ISBE staff. The monitoring comments will be posted in the IIRC and the district personnel listed in the “District Information” section will receive an email notification of any monitoring updates.

Follow up to ISBE Monitoring or District revisions to the Title I plan

District Responsibilities:
The district is responsible for providing any requested information or updates to the Title I plan and then must resubmit the plan for review after receiving the local school board’s approval.

These bulletins contain guidance and technical assistance for districts to meet the requirements of NCLB.
