TELL YOUR STORY ABOUT INVESTMENTS & STUDENT OUTCOMES

What's New on the 2022 Illinois Report Card?

The Illinois Report Card offers a snapshot of school performance in order to inform and empower educators, families, and communities as they support their students. Here's what's new in 2022.

New Metrics

1. Equity Journey Continuum: An informational tool for districts to track their progress toward closing gaps in student achievement, opportunities, and supports. The tool analyzes data points that districts already collect and report to ISBE, through the lens of equity, to make that data more useful for improving outcomes for all students. Learn more at www.isbe.net/equity.

2. Annual Summative Designation: Returning for the first time since 2019. Each school will receive a designation of Exemplary, Commendable, Targeted Support, or Comprehensive Support based on multiple measures of school performance. Learn more at www.isbe.net/summative.

3. Career and Technical Education (CTE)

- **Proficiency Rate Accountability:** Calculated, when relevant, for accountability using the 95% of Participation Rate denominator, using the various levels of performance each test and subject area.

5. Teacher Certification

- **National Board Certified Teachers:** Teachers who have achieved National Board Certification, the most respected professional certification available in education.
- **Teachers with Gifted Endorsement:** The total headcount of teachers who hold a gifted education endorsement.
